Dr. Benjamin has been with Incyte Diagnostics since 1992. He is board certified in anatomic and clinical pathology.

After graduating from the University of Minnesota in Minneapolis, MN, Dr. Benjamin stayed in Minneapolis and completed his medical degree at the University of Minnesota Medical School.

Dr. Benjamin completed his residency in anatomic and clinical pathology at St. Vincent Hospital and Medical Center in Portland, OR. While in training, he worked in Portland part-time as an assistant pathologist.

Dr. Benjamin spent the next couple of years in Washington and Oregon providing pathology services to the Columbia River Gorge area including Mid Columbia Medical Center in The Dalles, OR; Klickitat Valley Hospital in Goldendale, WA; Skyline Hospital in White Salmon, WA; and Hood River Memorial Hospital in Hood River, OR.

Following this, Dr. Benjamin practiced at Good Samaritan Hospital and Medical Center in Portland, OR and Southwest Washington Medical Center in Vancouver, WA.

Dr. Benjamin was a member of the College of American Pathologists' practice management committee from 2006 to 2009 and has spent multiple years as the medical director of Paclab Seattle.

For over 20 years, Dr. Benjamin has been actively involved in the Puget Sound medical community. Dr. Benjamin is licensed in the state of Washington.
