

PETER A HERREID, MD DERMATOPATHOLOGY

BOARD CERTIFICATIONS

- Anatomic & Clinical Pathology
- Dermatopathology

FELLOWSHIP

- Dermatopathology
Yale University School of Medicine
New Haven, CT

RESIDENCY

- Anatomic & Clinical Pathology
Kaiser Foundation Hospital
San Francisco, CA

MEDICAL/DOCTORATE DEGREE

- University of Nevada School of
Medicine
Reno, NV

HOSPITAL AFFILIATIONS

- Overlake Hospital Medical Center
- Valley Medical Center

PROFESSIONAL SOCIETIES & ASSOCIATIONS

- American Society of Dermatopathology
- California Society of Pathologists
- College of American Pathologists
- Dermatology Foundation
- King County Medical Society
- Washington State Society of
Pathologists

Dr. Herreid has been with Incyte Diagnostics since 1995. He is board certified in dermatopathology, anatomic, and clinical pathology.

After graduating from Stanford University in Palo Alto, CA, Dr. Herreid completed his medical degree at the University of Nevada School of Medicine in Reno, NV.

Dr. Herreid was a resident at the Kaiser Foundation Hospital in San Francisco, CA. During his residency, Dr. Herreid had regular rotations with Drs. Philip LeBoit and Timothy McCalmont, internationally-renowned dermatopathologists at the University of California-San Francisco. In collaboration with UCSF, Dr. Herreid's Kaiser-San Francisco pathology residency also included extensive cytopathology work with Drs. Britt-Marie Ljung and Teresa Darragh.

Dr. Herreid completed a fellowship in dermatopathology at the Yale-New Haven Hospital/Yale University School of Medicine in New Haven, CT. His fellowship included extensive clinical dermatology training under Drs. Jean Bologna, Peter Heald and Irwin Braverman, and practical and research dermatopathology training under Drs. Philip Shapiro, Jack Longley, Jen McNiff and Earl Glusac.

Most recently, Dr. Herreid has served multiple stints as medical director for Incyte Diagnostics' Bellevue laboratory, and he has regularly represented the lab at national strategic and legislative conferences, including the Executive War College, the Lab Institute, and as a state delegate to the House of Delegates of the College of American Pathologists. His

busy daily practice of dermatopathology includes primary diagnosis of surgical and inflammatory skin cases, complex ocular and ophthalmologic cases in concert with Dr. Bryan Sires and his team of surgical residents from the University of Washington, and consultative dermatopathology from dermatologists and surgeons in other western states. Dr. Herreid has specific additional clinical interest in pediatric dermatopathology, and also interprets a wide variety of soft tissue and head and neck pathology specimens. He is a past President and past Board member of Incyte Diagnostics.

Dr. Herreid has been an active participant in the Puget Sound medical community for over 28 years. In 2014, Dr. Herreid was elected to the Washington State House of Delegates for the College of American Pathologists (CAP) for the first time and continues to serve as a delegate from Washington state.
